

Good Time Paddling RULES FOR SAFETY

Wear your life jacket at all times.

Wear proper foot protection, such as old tennis shoes or rain boots.

Do not dive into the water. Riverbed depth varies drastically.

Take water with you and stay hydrated.

Don't take anything aboard you can't afford to lose or get wet. (keys/phone/camera)

Do not tie boats together.

Never tie children or pets to boat.

Avoid downed trees and debris in the river.

Respect private property.

Do not participate under the influence of alcohol or drugs.

Do not litter.

Respect any animals you may encounter, both domesticated & wild.

If unexpected inclement weather, high winds, or thunder arise, get out of the water immediately.

*Please note: ALL river activities are considered risk sports.
Both known and unknown dangers exist.
There are no lifeguards on duty. Participate at your own risk.*
